## Celebrations at Bart

As we enter this week of Thanksgiving, I want to express my gratitude for working with such a selfless team! I have seen countless examples of staff members giving of their time and resources and asking for nothing in return! The support you

each show for our learners and each other is such an inspiration. I can always trust in the knowledge that everyone is giving their very best each day! I hope you all have a happy and restful Thanksgiving break!

## Inclusion Corner:

Rita Pierson, a teacher for 40 years, delivers a call to educators to believe in their students and actually connect with them on a real, human, personal level. Watch her Ted Talk here:
