

Hello students and families!

We hope this message finds you and your families healthy. Your Solanco counselor team wants you to know that they are still here to help, even during our current school closure.

We know that this situation creates new challenges for families, and we want to make sure you know how to reach us for support.

Below is some information on how you can contact your school counselor or stay updated with current changes and available resources.

Also, follow the Solanco School Counselors on Instagram for additional resources - @slcguidance
